about the attorney

Cari Schwartz is a partner at Kantor & Kantor LLP, a contingency law firm specializing in obtaining health benefits. Cari submits appeals and litigates cases across the country to recover health benefits for her clients' health treatment. Her cases involve a wide variety of illnesses such as breast cancer, prostate cancer, mental health disorders, and substance use disorders. Prior to joining Kantor & Kantor, Cari practiced SSDI law for over 10 years. Cari is consistently motivated to advocate for her clients.
