

## Asistencia de Medicamentos Recetados Nacionales

Este documento es un recurso para ayudarle aliviar parte de la carga financiera de los medicamentos recetados. Esta lista contiene sitios web para encontrar cupones de medicamentos recetados y otros programas de ahorro de costos para ayudar a reducir el costo de medicamentos recetados. Esta lista también contiene información de contacto para varias compañías farmacéuticas. Los fabricantes de ciertos medicamentos recetados pueden ofrecer descuentos o cupones. Su farmacia también puede ser un recurso para cupones para reducir el costo de su medicamento. Además, una búsqueda en Internet para el nombre de su medicamento + cupón puede ayudar.

Nota: Todos los programas enumerados tienen diferentes requisitos de elegibilidad.
